

Screen sharing during an AAU Zoom meeting

Process	Description	Activity
Who can share	<p>Click on the arrow next to "Share Screen"</p> <p>Choose your desired screen sharing settings.</p>	 
Start sharing	<p>Click "Share Screen" in the menu bar at the bottom of your Zoom screen.</p>	
Share your desktop	<p>A window will pop up and you can choose what to share.</p> <p>Click "Screen 1" to mark your desktop.</p> <p>Click "Share" at the lower right corner to share your desktop.</p>	  
Share a document	<p>Click on a document to mark it.</p>	

	<p>Click "Share" at the lower right corner to share the document.</p>	
Share video	<p>Share a video the same way you share documents.</p> <p>Click "Share sound" at the bottom left of the window to include audio.</p>	
Share video with Zoom-player	<p>Play a video with Zoom's own video player.</p> <p>Click "Share Screen".</p> <p>Click the "Advanced" tab at the top of the screen.</p> <p>Click "Video".</p> <p>The "Share sound" and "Optimize for video clip" boxes are marked automatically.</p> <p>Click "Share".</p> <p>Find your video file and click "Open". Zoom will now play the video in its own video-player.</p>	 <p>The screenshot shows the Zoom sharing interface. At the top, there is a "Share Screen" button with a green arrow icon. Below it are two tabs: "Basic" (selected) and "Advanced". Under the "Basic" tab, there is a "Video" button with a play icon. Below the "Video" button, there are two checked checkboxes: "Share sound" and "Optimize for video clip". At the bottom, there is a "Share" button. Below the "Share" button, there is a video player showing a video file named "IMG_6566" with a play button and a progress bar.</p>

Share iPhone/iPad screen	<p>Note: for security reasons, this type of screen sharing is not possible on AAU-network.</p> <p>Click "Share Screen".</p> <p>Click iPhone/iPad.</p> <p>Click "Share".</p> <p>From this step, your device must be connected to the same network as your PC.</p> <p>Follow the instructions on the screen.</p>	   <p>On your iPhone or iPad:</p> <ol style="list-style-type: none">1. Connect to Wi-Fi network Pl2. Tap  Screen Mirroring <small>How to find it: swipe down from the top right corner On iOS 11 or earlier, swipe up from the bottom</small>3. Choose Zoom-hossein
Comment on a screen sharing	<p>Click "Annotate" in the menu at the top of your Zoom screen.</p> <p>Here you can comment on your screen sharing with text, drawings, etc.</p>	 
End sharing	<p>Click "Stop Share" at the top of your Zoom screen.</p>
